Hi Liz,
I couldn't even get agreement on a date for a cal so I'm circulating new dates. For the first meeting, I'm trying for a face-to-face. In light of the 10.9 miles discussion, I don't think it's the worst thing. We'll met the week after CAG, not sure what day yet. In light of the CAG discussion, I think there will be more clarity for our subcommittee discussion.

As always, thanks for your help.

Caroll
